Dear Ms. Fisher:

The Department of Environmental Protection (Department) has reviewed the November 24, 2015 document titled "Remedial Action Completion Report" for the release referenced above. The document was prepared by Leidos, Inc., and submitted as a Remedial Action Completion Report (RACR) as required by 25 Pa. Code § 245.313.

The Department approves the RACR in accordance with 25 Pa. Code § 245.313(c)(1) for the substances identified and remediated to a standard under the Land Recycling and Environmental Remediation Standards Act (Act 2) relating to this release. Chapter 5, Section 501 of Act 2, provides the liability protection where attainment of Act 2 cleanup standards is demonstrated. The cleanup liability protection provided by this chapter applies to the current and future owner or any other person who participated in the remediation; a person who develops or occupies the property; successor or assign of any person to whom liability protection applies; and a public utility to the extent the public utility performs activities on the identified property.

In the process of redevelopment, Tank 009, a 10,000-gallon unleaded gasoline Underground Storage Tank (UST) system was removed in July of 2010. A release associated with the dispenser for the system was discovered. Excavation of impacted soils remediated the bulk of the release. However, soils at depth were impacted as was groundwater. The Site Specific Standard for soil and groundwater has been attained, and an environmental covenant memorializing the requirements of the post remedial care plan has been or will be filed upon completion of the site wide remediation project.

Any person aggrieved by this action may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. Section 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717.787.3483. TDD users may contact the Board through the Pennsylvania Relay Service, 800.654.5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and

the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at 717.787.3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

IF YOU WANT TO CHALLENGE THIS ACTION, YOUR APPEAL MUST REACH THE BOARD WITHIN 30 DAYS. YOU DO NOT NEED A LAWYER TO FILE AN APPEAL WITH THE BOARD.

IMPORTANT LEGAL RIGHTS ARE AT STAKE, HOWEVER, SO YOU SHOULD SHOW THIS DOCUMENT TO A LAWYER AT ONCE. IF YOU CANNOT AFFORD A LAWYER, YOU MAY QUALIFY FOR FREE PRO BONO REPRESENTATION. CALL THE SECRETARY TO THE BOARD (717-787-3483) FOR MORE INFORMATION.

Thank you for your actions in remediating this release. If you have any questions, please contact Pamela Trowbridge, P.G. at 717.705.4839 or by email to [ptrowbridg@pa.gov](mailto:ptrowbridg@pa.gov).
