Re: EPA review of Draft Final Military Munitions Response Program (MMRP) Remedial Investigation Report for the former York Naval Ordnance Plant (fYNOP)

Dear Mr. Golia:

This letter is in response to the Draft Final MMRP Remedial Investigation Report for the fYNOP, dated March 2018 and submitted via letter of transmittal dated April 6, 2018 by EA Engineering, Science, and Technology, Inc.

EPA has reviewed and concurs with the investigation results and conclusions as outlined in this report, as well as its recommendations for evaluation of specific areas in the forthcoming Remedial Alternatives Analysis.

Thank you for your cooperation in working with EPA and PADEP in the remediation of this site. If you have any questions, please don't hesitate to call me at (215) 814-3407.

Sincerely,

A handwritten signature in blue ink, appearing to read "Griff Miller".
