Dear Ms. Fisher:

The Department of Environmental Protection (Department) has reviewed the April 10, 2018 document titled "MMRP Remedial Investigation Report for the Former York Naval Ordnance Plan, York PA" (report) for the property referenced above. The report was prepared by EA Engineering, Science, and Technology, Inc., submitted to the Department in accordance with the Land Recycling and Environmental Remediation Standards Act (Act 2), and constitutes a Remedial Investigation Report as defined in Chapter 3. This report was reviewed by a licensed professional geologist.

The Department hereby approves the Remedial Investigation Report in accordance with the provisions of Act 2. Please contact Pamela Trowbridge P.G. at 717.705.4839 with any questions or if further clarification is needed regarding this matter. The U.S. Environmental Protection Agency will reply to the report separately.

Sincerely,

Benjamin P. Stone-Thonus  
Program Manager  
Environmental Cleanup and Brownfields Program
