Re: Approval of Risk Assessment Report - Soils
Former York Naval Ordnance Plant
eFACTS PF # 623248, Remediation # 33749
1425 Eden Road, York, PA
Springettsbury Township, York County

Dear Ms. Fisher:

The *Soils Risk Assessment, Former York Naval Ordnance Plant* submitted on April 11, 2012, pertaining to the subject site, has been approved by the Department of Environmental Protection (Department) in accordance with the provisions of the Land Recycling and Environmental Remediation Standards Act (Act 2). This report was reviewed by a Pennsylvania licensed professional geologist.

Please be aware that chemicals of concern that were screened out of the soils Risk Assessment using the Department's Statewide Health Standard must demonstrate attainment of the Statewide Health Standard in the Final Report.

An environmental covenant is required as part of the demonstration of attainment of the soils site specific standard for this property. As a condition of our approval of the Final Report, the remediator shall provide the environmental covenant to the department no later than 30 days after receipt of written approval from the Department of the Final Report. The release of liability for this incident is contingent upon the execution and subsequent filing of an environmental covenant that reflects the activity and use limitations referenced in your Final Report. Please be aware that a check made payable to the Commonwealth of Pennsylvania for the \$500 environmental covenant review fee must accompany the signed and notarized version of the environmental covenant that you submit to us.

We look forward to working with you towards the remediation of your site and to receipt of subsequent Act 2 reports. Please contact Pamela S. Trowbridge, P.G. at 717.705.4839 if you need any additional information regarding this matter.

Sincerely,

Kathleen G. Horvath, P.G.
